Re: The Wave Studio, LLC v. General Hotel Management Ltd. et al., No. 7:13-cv-09239-CS – Settlement Conference Attendees

Dear Magistrate Judge Davison:

We are counsel for Defendant General Hotel Management Ltd. ("GHM"). We write to respectfully request that counsel for the other defendants be permitted to attend the settlement conference currently scheduled for August 13, 2014 at 10:30 a.m.

That is, Plaintiff is suing 58 other defendants in addition to GHM. Judge Seibel recently stayed the case with regard to those other defendants, however, the stay does not preclude the parties from exploring a global settlement. Indeed, more than 26 defendants are jointly represented by Clausen Miller PC, whom has already agreed to appear next week. Additionally, counsel for Setai Owners will also be able to attend, which would allow for more than half of the defendants to participate in the dialogue.

Plaintiff was consulted as to this request and consents to the appearance and participation of all counsel of record on August 13th.

For the foregoing reasons, we hereby respectfully request that this Court allow the appearance of Clausen Miller and counsel for Setai Owners at the settlement conference.

OK.
